Good Afternoon John,

Attached is the formal referral letter from U.S. Coast Guard, MSU Savannah to GA DNR, EPD to take over the land side investigation of the BERMS case.

I would like to schedule a meeting with you and your team in the near future to discuss the letter and our next plan of action.

Does sometime Friday afternoon work for you? If not, can you please send me a time and date that work for you after Tuesday next week.

Hope all is well.

Respectfully,

LCDR Matthew Spado
